Poems by Kolki

Absolutely Humane

About universal well being, peace and love

As I see it, as I feel it...

'Let love, mercy and mutual understanding be the tools for 21st century world diplomacy'... Kolki

Real Path To 9/11

A Barrier To World Peace, Environment, and Universal Well Being

Motives -

The NEDCONS' document, "Project For The New American Century", argued in Rebuilding America's Defense (Page 51-63)

"Creating Tomorrow's Dominant Force - the process of transformation, even if it brings revolutionary change, is likely to be a long one, absent some catastrophic and catalyzing event like a new Pearl Harbor".

Signatories -

(Donald Rumsfeld - Vin Weber - George Wiegert - Paul Wolfowitz - Elliott Abrams - Gary Bauer - William J. Bennett - Jeb Bush - Dick Cheney - Eliot A. Cohen - Midge Decter - Paula Dobriansky - Steve Forbes - Aaron Friedberg - Franco Fukuyama - Frank Gaffney - Fred C. Ikle - Donald Kagan - Zamey Khalilzad - J. Lewis Libby - Norman Podhoretz - Dan Quayle - Peter W. Rodman - Stephen P. Rosen - Henry S. Rowen)

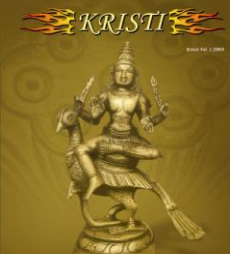

This, 9/11 was a requirement for re-establishing American Military Supremacy throughout the world, as viewed by this group of people. Rest is step by step details in this book unfolding well planned cold blooded state crime in broad day light involving NORAD protocol, Federal Emergency procedures, CIA, FBI, Military, and all democratic accountabilities.

Kolki - Author of 'Poems by Kolki - Absolutely Humane', a recipe for better world.
