9/11 Was A Well-Scripted Military Coup Hijacking Airliners Remotely Coordinating Neoconians At All Levels of Government and Key Private Investors and Decision Makers With Strong Ties To Military, Oil & Defence Industry, who have been vouching and waiting for the "New Pearl Harbour" as depicted in the Neoconian dossier "The Project of the New

American Century (PNAC)" for US/NATO evangelic world supremacy in peace time. **There were no physical hijackers***; **remotely Hijacked Airplanes** Flew as Drones to GPS Controlled Precisely Programmed Targets disabling pilot's abilities and communications with the ground control facilities! All [9/11 Flights were delayed](#) for the convenience of Remote Hijacking during Doomsday Military Exercises running War Games from Pentagon and [National Reconnaissance Office](#) (NRO), Chantilly VA, with scenarios designed by Crisis Action Team (CAT) that included Hijacked Airplanes hitting The World Trade Centre and The Pentagon. In fact, 9/11/2001 military script was an enhanced version of the 1962 military script "[Operation Northwoods](#)" submitted to then President Kennedy to inflict mass casualty inside USA as a pretext to blame and attack Cuba which Kennedy rejected before assassination.

"When we say we will never forget, we mean what we say"

"If the United States ever experiences an attempt at a coup to overthrow the government, it will come from the CIA. The agency represents a tremendous power^{\$\$} and total unaccountability to anyone." --JFK (John F. Kennedy, 35th President of USA, assassinated on Nov 23, 1963)
\$\$- CIA's black budget is almost equal to UK's Defense Budget?

Historically CIA is a covert extension of UK's MI6 after WWII to re-annex USA and so is Pakistan's ISI to work outside British accountability for the United Monarchical colonial advantage against democratic free world!

The first sign of remote hijacking was:

When the pilots of Flight 175 told ground control, "We heard a suspicious transmission on our departure out of Boston. Someone keyed the mic and said, 'Everyone stay in your seats.' It cut out." [[Guardian, 10/17/01](#); [Newsday, 9/10/02](#);

[New York Times, 10/16/01](#)] That was testing from remote hijackers confirming they can takeover primary channel along with the cockpit microphone. **The very fact that all hijacked airplanes lost transponders before any of the pilots could press “We have been Hijacked” to inform ground control only emphasizes the point that all 9/11 planes were hijacked remotely.** Since NORAD didn't scramble fighter jets immediately following standard procedures knowing the planes flying without transponders further emphasizes that the hijackings were inside jobs. **Total military inactions during the whole saga for about two (2) hours despite being at the highest state of alert,** rather their efforts to confuse and distract Air Traffic Controllers, failure to protect Pentagon and prompt rescue from WTC and Pentagon, as well as shooting down of Flight 93 merely highlight the well planned meticulously coordinated military coup in broad daylight. That is why FBI, that protected alleged mastermind Zacarias Moussaoui's belongings from searching before 9/11, took over the Pentagon military crime scene violating the military oath to save comrades with utmost urgency during emergency whenever and wherever necessary.

Symbolically 9/11 was militarily re-annexing of USA by Britain, following [Cecil Rhodes methodology](#), because the selected Flights which acted as missiles were originated from New England (The Tea Party State), New Jersey (Loyalist) and Virginia (The Confederate)! Also shooting down Flight 93 over [Stony Creek](#), Pennsylvania (The Liberty State) is symbolic British Victory over America. **Before 9/11, CIA (derivative of MI6 after WW II) had tested remote controlled Drones to hunt Bin Laden, Global Hawk made a voyage to Australia from California without a Pilot, and Boeing 737, 757, 767 were tested for remote landing by both NASA and Boeing's military wing.** So, there is no surprise, the technology has been there, all it needed the willingness of the higher ups within military and pertinent Government Agencies. The audio sounds like “We have some Planes, nobody moves” and the cell phone calls were all part of the script already rehearsed during pre 9/11 drills. All the 9/11 Hijacked Airplanes flew over numerous military bases without interceptions. The **entire Navy Seal** was destroyed at the Pentagon and the Lieutenant [General Timothy J. Maude](#) (**Golden Gate University Alumni**) who was working very hard to unite the Army as one. The FBI Special Agent in Charge, [John O'Neil](#), who was working hard to expose real Al-Qaeda behind 1993 [World Trade Center bombing](#), 1996 [Khobar Towers bombing](#) in [Saudi Arabia](#) and the 2000 [USS Cole bombing](#) in [Yemen](#), also died at the WTC on 9/11. *Interestingly then New York Mayor Rudolf Giuliani was awarded the British Knighthood for his role throughout 9/11 who was also incidentally present very close to the first London Subway Explosion! BBC's repeated broadcasting of the collapse of WTC7 before it actually collapsed and new owner Larry Silverstein's immediate instruction over cell phone to 'Pull it down' suggests BBC was part of 9/11 script.* **9/11 wasn't an isolated incident, British and US troops were already exercising with massive number of armies along with unprecedented troops manoeuvring around the world since World War II ignoring Citizens, including**

men and women in uniform, under debris suffering to be rescued at the World Trade Center and Pentagon.

“A sophisticated false-flag operation like 9-11 has an organizational structure with three basic levels: architectural, operational, and working. Atta and the 19 Arabs blamed as the hijackers of 9-11 were part of the working level, and were simply part of the deception. That is, after all, how false-flag terror works.” - **Andreas von Buelow**, the former head of the parliamentary commission that oversaw the German intelligence agencies.

The irony is that American Tax Payers Paid UK Based Most Sophisticated High-Tech **Global Surveillance Program Echelon** Was Used for **9/11 False Flag Operation**, Disinformation, Framing Up and Cover Ups.

"If our government had merely [done] nothing, and I say that as an old interceptor pilot—I know the drill, I know what it takes, I know how long it takes, I know what the procedures are, I know what they were, and I know what they've changed them to—if our government had merely done nothing, and allowed normal procedures to happen on that morning of 9/11, the Twin Towers would still be standing and thousands of dead Americans would still be alive. [T]hat is treason!" **Col. Dr. Robert Bowman**

Ever wonder why no **Superman, Batman, or Spiderman** came to rescue World Trade Center and Pentagon on 9/11? Once one reads the book, it would be obvious that they couldn't see the enemy within and was probably submerged in reading Harry Potter.

“Creating Tomorrow’s Dominant Force - the process of transformation, even if it brings revolutionary change, is likely to be a long one, absent some catastrophic and catalyzing event like a **New Pearl Harbour”.**

Here is how they implemented “New Pearl Harbour” blaming Virtual Bin Laden with concerted media voice:

- Why NORAD hijacking protocol was changed before 9/11 especially

sending the new responsible coordinator Mike Canavan to Puerto Rico without back up? [<http://www.kolki.com/peace/NORAD-Hijacking-Protocol.htm>]

The most important Government Action which led to the success of the 9/11 destruction inside USA was the change in NORAD hijacking protocol before 9/11: **Per 1st Air Force's own book about 9/11**, the “sector commander [at NEADS] would have authority to scramble the airplanes.”). **But,**

Protocols in place on 9/11 stated that if the FAA needed the military to go after an airplane, “the escort service will be requested by the FAA hijack coordinator by direct contact with the National Military Command Center (NMCC).” **But the FAA hijack coordinator, Mike Canavan, was silent in Puerto Rico without backup. [Smoking Gun]**

- **Why US military and NORAD preponed scheduled yearly Military Exercises** (Practice Armageddon, Global Guardian, Vigilant Warrior, Amalgam Warrior and Vigilant Guardian - running war games including airliner crashing) from October 22-31, 2001, to the week of September 11, 2001? [**Smoking Gun**]

- **Why Vice President Dick Cheney would order Flight 77 to hit Pentagon as per then Transportation Secretary Norman Mineta's testimony: "during the time that the airplane was coming into the Pentagon, there was a young man who would come in and said to the Vice President, 'the plane is 50 miles out, the plane is 30 miles out.' And when it got to 'the plane is 10 miles out," the young man also said to the Vice President, 'Do the orders still stand?' And the Vice President...said, 'Of course the orders still stand. Have you heard anything to the contrary?'"** [**Smoking Gun**]

Standard order was to shoot down any non-military aircraft entering the “Prohibited” airspace over Washington, in which “**Civilian flying is prohibited at all times**” (“Pilots Notified of Restricted Airspace; Violators Face Military Action,” FAA Press Release, September 28, 2001). (Note. **Yet no military action was taken to evacuate and save Pentagon!**)

- **Why Vice President Dick Cheney warned President Bush that hijackers had access to the transponder of Air Force One suggesting hijackers were capable of remote hijacking even Air Force One?**

- **Why then Defense Secretary Donald Rumsfeld would say in Iraq “...the people who attacked the United States in New York, shot down the plane over Pennsylvania and attacked the Pentagon...”?**

- **Why 9/11 Commission Report would stress Flight 93 crashed when Donald Rumsfeld, President and Vice President stated clearly that it was shot down?**

"Well, I discussed it with the president. Are we prepared to order our

aircraft to shoot down these airliners that have been hijacked? He said yes... I--it was my advice. It was his decision."(Vice President Dick Cheney, September 11, 2001, source CBS News Archives)

"That's a sobering moment, to order your own combat aircraft to shoot down your own civilian aircraft. But it was an easy decision to make, given the--given the fact that we had learned that a commercial aircraft was being used as a weapon. I say easy decision. It was--I didn't hesitate; let me put it to you that way. I knew what had to be done."(President George W. Bush, September 11, 2001, source CBS News Archives)

- How and why Cessna trained box cutter armed hijackers would hit Pentagon precisely destroying the newly refurbished Navy Command Center (NCC) capable of intelligence gathering similar to NSA, the Army Budget Office having books of \$2.3 trillion missing from Pentagon and US Army's Deputy Chief of Staff for Personnel?

- Why FBI higher ups tried so desperately before 9/11 to stop fellow FBI Agents from searching suspected Al-Qaeda [Zakarias Moussaoui](#)'s laptop, yet charged him for masterminding 9/11 afterwards? (Note. [A simple pre 9/11 search would have exposed the covert spectacular implementation planed by people from inside!](#)) [**Smoking Gun**]

Dave Frasca of the FBI's Radical Fundamentalist Unit (RFU) denied a request from the Minneapolis FBI field office to seek a criminal warrant to search the belongings of Zacarias Moussaoui, who was arrested on August 15 as part of an intelligence investigation. [[US District Court](#) FOR THE EASTERN DISTRICT OF VIRGINIA, ALEXANDRIA DIVISION, 3/9/2006]. A criminal warrant to search Moussaoui's belongings would be granted only after the 9/11 attacks (SEPTEMBER 11, 2001).

- Why alleged mastermind [Zakarias Moussaoui](#)'s diary had US private Mercenary company Blackwater's telephone number?
[<http://www.kolki.com/peace/Zacaria-Moussauai.doc>]

- Why Pakistan's ISI Director Lt. Gen. Mahmood Ahmed who allegedly transferred 100,000+ to alleged 9/11 mastermind Atta's Florida Account was entertained by the higher ups in Bush Administration, Pentagon, and Key congressional members including Christopher Cox and Joe Biden, before, on, and after 9/11?
[**Smoking Gun**]

- Why on August 31, 2001, [Transportation Department Held](#) Plane Hijacking Exercise similar to 9/11 including cell phone calls?

According to Ellen Engleman, the administrator of the DOT's Research and Special Programs Administration, "This was actually much more than a tabletop exercise, during that exercise, part of the scenario, interestingly enough, involved a potentially hijacked plane and someone calling on a cell phone, among other aspects of the scenario that were very strange when 12 days later, as you know, we had the actual event [of 9/11]."

[MINETA TRANSPORTATION INSTITUTE, 10/30/2001, PP. 108]

[Note. Rehearsals like this as well in Pentagon directly contradicted then Secretary of State Condoleezza Rice's statement that no one could ever envision planes would be used as missiles?]

- **World Trade Center Demolition?**

On September 11th 2001, BBC World reported at 4:57pm Eastern Time that the Salomon Brothers Building (more commonly known as WTC7 or World Trade Building 7) had collapsed. This even made the 5pm EST Headlines! But what was bizarre was that the building did not actually collapse until 5:20pm EST suggesting strongly BBC was also part of the New Pearl Harbour implementation script. [Smoking Gun]

WTC complex owner Larry Silverstein rushed immediately calling his people over cell phone to pull it down, which he admitted on a September 2002 PBS documentary, 'America Rebuilds' that he and the [NYFD](#) decided to 'pull' WTC 7 on the day of the attack. The word 'pull' is industry jargon for taking a building down with explosives.

Official explanations for the dramatic free fall of Twin Towers and WTC7 had been very consistent, twin towers fell from the heat of the burning fuel causing also the fall of WTC7 in a similar fashion.

But **2004 Democratic Presidential candidate John Kerry directly contradicted the official story** about WTC7 when questioned by members of 'Austin 9/11 Truth Now': "I do know that that wall, I remember, was in danger and I think they made the decision based on the danger that it had in destroying other things, that they did it in a controlled fashion."

Pulling down WTC7 is another smoking gun because wiring a massive 47 storied building like WTC7 would require weeks of expert preparations suggesting all three buildings were wired for controlled demolitions synchronizing with the remotely hijacked GPS controlled precisely programmed crash of Flight 11 and Flight 175 (Boeing 767).

Rest is detail in the [book](#), part of which can be viewed as: www.kolki.com/peace/Simple-Proof-Final.htm

Now we know why President Bush and Vice President Cheney vehemently opposed any congressional or public inquiry resulting in the frustrations of [Sibel Edmonds](#), former FBI translator, **"If they were to do real investigations we**

would see several significant high level criminal prosecutions in this country. And that is something that they are not going to let out. And, believe me; they will do everything to cover this up."
[<http://www.kolki.com/peace/FBI-Translator-Sibel-Edmonds-Interview.htm>]

How about the cover ups? Well, the plan started from 1999 as a DOD project called 'Able Danger' where they were gathering personal information tracking suspected Terrorists around the world and allowing them move easily through USA and Britain, getting driving license (even duplicate) and opening bank accounts without any trouble. Months before 9/11 CIA (which originated from MI6 after WW II) briefed then President Bush and the National Security Team that Al-Qaeda had been totally infiltrated using American Tax Payer Paid 'Echelon Global Surveillance' installed in UK. In the summer of 2001, despite all serious warnings from CIA, Richard Clarke, and other Intelligences, State Department started a VISA express in Saudi Arabia (The Main Al-Qaeda State per FBI) where VISAS were issued without seeing the person for verification; most of the 9/11 suspects actually travelled through London, England, despite being on the MI6 list. They also entered USA without a trouble despite being on the CIA list. Thus FBI used those names hurriedly and tried to doctor the passenger list unsuccessfully losing credibility.

What Main Stream Media and Politicians never explained to people "Can Bin Laden Really Do It?!" If you read this book, you will know even Russians or GOD couldn't do it evading Military at the highest state of alert for running Doomsday War Games coordinating with all relevant government Agencies and Authorities including NORAD, NSA, CIA, FBI, FAA, CDC, Department of Transportation and Law Enforcement. [FBI couldn't link Bin Laden to 9/11](#). Irrespective of whether Bin Laden 'Dead or Alive', Military is the prime credible suspect from Day One for the success of the 9/11 destruction inside USA, as well as the subsequent Anthrax attack on Liberal Senators and Media. This warrants nothing short of a full Public investigation for the benefit of 'America and our World' immediately.

Why Kolki?

Author: Deepak Sarkar, 844 Royal Oak Ave, Victoria, BC V8X 3T2, Canada; E-Mail: Deepak.Sarkar@ieee.org; Poetry & Peace Web Site: www.kolki.com

Real 9/11 perpetrators were so powerful and well coordinated that they could jam the most secured and sophisticated telephone lines of then President George Bush and Secretary of State Collin Powel throughout 9/11 saga, lock the WTC roof top doors and persuade people to stay in the building despite plane crash for guaranteed massive casualty, summon President to Exercising Military Bases leaving White House decision making at the hands of the Unconstitutional Shadow Government (COG) in existence since the Regan administration headed by Richard Perle, Dick Cheney, and Donald Rumsfeld - all of whom predicted and anticipated a spectacular "New Pearl Harbour" to justify military supremacy in peace time!

9/11 Real Perpetrators were so cold blooded that FAA maintained a line for live telecast with the White House Secret Service from the very beginning of WTC Plane Crash so that White House Situation Room headed by then Vice President Cheney can verify the real-time status of the success of the plan per Pentagon Script. Thus President saw the first hit while sitting in his electronically sophisticated car. They **warned** the Israeli Company **Odigo** (2 blocks from WTC) at 6:45am but failed to inform the American Citizens - the very tax payers who made them so destructively powerful! They even grounded Salman Rushdie, Ariel Sharon, San Francisco Mayor Willie Brown from flying to New York that morning but spared the Americans (including citizens in uniform) as valued victims of Neoconian Dream Event "**New Pearl Harbour**"!

Real 9/11 perpetrators were so scared of evidences that they disoriented the pertinent Airport Traffic Controllers (ATCs) at Boston and Indiana with false bomb threats distracting them from tracking the hijacked airliners; destroyed air traffic conversation audio tape in Ronkonkoma, New York, immediately, after the successful operation; guarded the crime scenes at WTC and Pentagon for a very slow recovery to ensure no survival and destruction of evidences; sold WTC steel to China and India immediately before forensic check for explosives; stole WTC architectural drawings; stole WTC security videos from Bank Vault; **concealed black boxes recovered from WTC**; doctored black box audio tapes from Flight 77 and Flight 93; doctored Airline Passenger lists omitting even real passenger for cover ups; reclassified most previously declassified military information under FOIA; first tried to stop Congressional Inquiry or Commission in any form, then delayed it with obstruction of justice, ensured limited capability and fund as well as headed by the very people related to the success of the "**New Pearl Harbour**"!

On September 10, 2001, Day before 9/11, then Defense Secretary Donald Rumsfeld admitted about **2.3 Trillion Dollars missing Pentagon Fund**; "the White House Staff including then **President George Bush went on a regiment of the anti-biotic 'Cipro'** to ward off anthrax" (which suggests Anthrax attack was the backup process if remote hijacking failed because Pier 92 of New York City had hundreds of people from FEMA, from the Federal Government, from the State, from the State Emergency Management Office, preparing for a drill for biochemical attack); "**Overnight, snipers and surface-to-air missiles were located on the roof of the Colony (Beach and Tennis Resort) and adjacent structures, to protect the president. The Coast Guard and the Longboat Key Police Department manned boats that patrolled the surf in front of the resort all night. Security trucks with enough men and arms to stop a small army parked right on the beach. An Airborne Warning and Control System (AWACS) plane circled high overhead in the clear night sky.**" [SAMMON, 2002, PP. 13 AND 25; SARASOTA HERALD-TRIBUNE, 9/10/2002] Yet President Bush didn't alert the nation about the upcoming grave danger from enemy within or Pentagon couldn't fire a missile and CIA/FBI/FEMA planes and

helicopters couldn't rescue helpless desperate victims from above crash lines of the WTC towers! CIA airlifted Al-Qaeda militants from Kosovo few weeks before teaching world "[What Al-Qaeda Is?](#)"!

According to then FBI counterterrorism expert [John O'Neill](#) (July 2001), "**The main obstacles to investigate Islamic terrorism were US oil corporate interests and the role played by Saudi Arabia in it. All the answers, everything needed to dismantle Osama bin Laden's organization, could be found in Saudi Arabia.**" O'Neill also believed the White House was obstructing his investigation of bin Laden because they were still keeping the idea of a pipeline deal with the Taliban open [IRISH TIMES, 11/19/2001; BRISARD AND DASQUIE, 2002, PP. XXIX; CNN, 1/8/2002; CNN, 1/9/2002].

Thus, if there were physical Hijackers and 19 of them were from Saudi Arabia, don't you think British and American exercising troops would have converted the entire Saudi Arabia into Desert using there Bombs and Missiles? [That is the sixty four \(64\) million dollar question, why they didn't?](#)

The only Conspiracy Theory is the Government's Faith Based Baptism blaming Bin Laden from the beginning without Open Public Investigation respecting truth and justice.

["In the big lie there is always a certain force of credibility; because the broad masses of a nation are always more easily corrupted ...they more readily fall victims to the big lie than the small lie... It would never come into their heads to fabricate colossal untruths, and they would not believe that others could have the impudence to distort the truth so infamously."](#) --
