Judging By Ten Commandments Most Christians & Jews and Vatican Would Lose Their Religious Identity and Covenant With God! (Deepak Sarkar, [www.kolki.com](http://www.kolki.com))

**Because Christians (Eastern Orthodox or Protestant), Jews and Zionists are violating Ten Commandments every day while maintaining absolute faith in scriptures Covenant, as follows:**

- I Pope, Bishops and Priests coming before God
- II Cross is a graven image
- III They swear by Jesus all the time, even out of anger and hatred
- IV Most don't cease work on Sabbath day
- V Most leave their parents alone for the own family and happiness
- VI Most eat beef, lamb, chicken, pork, fish all products of killing

- VII Adultery became sophistication in the Christian world
- VIII White color stealing is prevalent as making more profit
- IX Justice is corrupted bringing in felons as compromising witness
- X Most people covet neighbours, friends even family members for their success

The irony is that Zionist Evangelists strongly believe that Ancient Palestine belongs to Jewish People because God in Old Testament said so! And Pope from Vatican wants Christianity to be World Religion! The main problem is Hebrew don't have the letter 'J' making Jews, and Judaism both foreign to the land of Palestine and Christianity a religion of faith based on Judaism and their culture!
