[**Abstract:** While the US-British-Australian-Canadian intelligence, US Federal Bureau of Investigation, Key Politicians, and Main Stream Media [ignored and/or helped breed Al-Qaeda](#) in US-British-Canadian soil before [9/11](#), they were equivocally prompt to convict [Al-Qaeda](#) moments after [9/11](#) implementation bypassing/shutting all standard [intellectual investigation](#) towards the truth of [9/11](#). Since then the World has been terrorized, countries have been invaded/destroyed, Airport/Airline securities have been heightened costing world Governments dear tax dollars, US/NATO leaders obtained authoritarian power, Islam Bashing fulfilled Evangelical dreams deifying virtual [Bin Laden](#), all in the name of fighting terrorism while NATO expansion has been continuing conveniently! But the only survived suspected hijacker mastermind in US custody [Zakarias Moussaoui](#) didn't have the [Bin Laden's](#) phone number in his diary rather the phone number of US Private mercenary company [Black Water](#)! Since [9/11](#), [Al-Qaeda](#) inflicted more damages to the Islamic world than the NATO countries helping evangelical's control on Vatican and the world. Based on the quotes from US leaders, politicians, then CIA director, FBI counter terrorism expert & translator and actions of high ranking CIA-FBI officials it can be concluded that [Al-Qaeda](#) has become the covert wing of US/NATO/Israeli military/intelligence using [US/British/Australian/New Zealand/Israeli](#) private mercenaries including Black Water. As the [U.S. District Judge Robertson](#) speaks for the military (the main suspect of [9/11 disaster](#)) and against open [democracy](#) by leaving the fate of the [Guantanamo Bay](#)

detainees to military tribunal burying the [truth](#) forever it is time to spell out what [Al-Qaeda](#) has become exactly to ensure US/NATO/Israeli global security for supremacy! World citizens must not forget that [based on the 9/11 anomalies](#) US military, Intelligence, and FBI are the [major suspects](#) for the [9/11 disaster](#) on US soil! Thus trying [Al-Qaeda](#) detainees under military tribunal is like making the murderer also the Judge of a trial!

Let us start the revelation with statement from [Sibel Edmonds](#), former FBI translator, "If they were to do real investigations we would see several significant high level criminal prosecutions in this country. And that is something that they are not going to let out. And, believe me; they will do everything to cover this up."

Let us also hear from the Director Col. Robert Bowman of the U.S. "Star Wars" space defense program in both Republican and Democratic administrations, who was a senior Air Force colonel who flew 101 combat missions. He stated that [9/11 was an inside job](#). He also said: "[If our government had merely done nothing, and I say that as an old interceptor pilot—I know the drill, I know what it takes, I know how long it takes, I know what the procedures are, I know what they were, and I know what they've changed them to—if our government had merely done nothing, and allowed normal procedures to happen on that morning of 9/11, the Twin Towers would still be standing and thousands of dead Americans would still be alive. That is treason!](#)"

I am fully confident that upon reading this article fellow Americans and world citizens would vehemently protest against the Military Tribunal and world politicians would think twice before signing any major deal with the current [shadow US administration](#) where all major foreign policy decisions are being made in secret disrespecting transparency of democratic Government! Just imagine, how cold blooded [9/11 perpetrators](#) were that they formed a [Secret Government](#) without any knowledge of the elected Senate and Congress that would be effectively running USA as the [9/11](#) planes were hitting [World Trade Centre](#) (WTC) and Pentagon [without](#) any Military-CIA-FBI-NORAD interceptions!

The only survivor of the alleged [9/11](#) plot masterminds Zakarias Moussaoui didn't have [Bin Laden's](#) phone number in his diary rather he had the phone number of the private US mercenary company [Blackwater](#) [Source: *US District Court for the Eastern District of Virginia, Alexandria Division*]. Blackwater supplies private mercenaries throughout the world including Kosovo/Bosnia, Afghanistan, and Iraq as private security contractors recruiting ex-military personnel and previously trained international militias, highly skilled with explosives and covert assassinations!

It is to be noted that all [unproven charges](#) of CIA/FBI/MI6/MOSSAD against [Bin Laden and Al-Qaeda](#) always helped the US/NATO/Israeli military agenda tangibly or intangibly including [9/11](#) and all other attacks around the globe before and after [9/11](#). This article would prove beyond reasonable doubt that prior to 9/11 Al-Qaeda has been totally converted to US/NATO/Israeli covert wing of intelligence operations using their training facilities and private mercenaries like Black Water! This interpretation is the best educated assumption not just based on hearsay or scholarly work but focusing on the words from horse's mouth and their actions!

When FBI Radical Fundamentalist Unit Headquarter vehemently opposed search warrant from the FBI Minneapolis field office for the suspected terrorist mastermind Zacarias Moussaoui's belongings Minneapolis division chief Coleen Rowley said, "I feel that certain facts... have, up to now, been omitted, downplayed, glossed over and/or mischaracterized in an effort to avoid or minimize personal and/or institutional embarrassment on the part of the FBI and/or perhaps even for improper political reasons." She asked, "Why would an FBI agent deliberately sabotage a case? The superiors acted so strangely that some agents in the Minneapolis office openly joked that those higher-ups 'had to be spies or moles... working for Osama bin Laden.'

Thus, everyone must wait for the final judgement and urge their governments to press [United Nations](#) to take the lead for an honest, open, and thorough [public investigation](#) for exposing [Al-Qaeda](#) and the culprits of [9/11](#) disaster, so that world can live happily ever after!

Let us hear what FBI counterterrorism expert [John O'Neill](#) had to say about [Bin Laden](#) and [Al-Qaeda](#)! In July 2001 O'Neill said, "The main obstacles to investigate Islamic terrorism were US oil corporate interests and the role played by Saudi Arabia in it." He added, "All the answers, everything needed to dismantle Osama bin Laden's organization, could be found in Saudi Arabia." O'Neill also believed the White House was obstructing his investigation of bin Laden because they were still keeping the idea of a pipeline deal with the Taliban open [IRISH TIMES, 11/19/2001; [BRISARD AND DASQUIE, 2002, PP. XXIX](#); [CNN, 1/8/2002](#); [CNN, 1/9/2002](#)] He died during [World Trade Center demolition](#) on [9/11](#) while working as the new security chief under the new private owner Silverstein Properties and Westfield America which mysteriously acquired 99 year lease on WTC on July 24, 2001, eventually harvesting 4.55 billion US in profit from the insurers of WTC!

Yet in May 2001 the US introduced the "[Visa Express](#)" program in Saudi Arabia, which allowed any Saudi Arabian to obtain a visa through his or her travel agent instead of appearing at a consulate in person - "The issuing officer had no idea whether the person applying for the visa was actually the person in the documents and application." [[US NEWS AND WORLD REPORT, 12/12/2001](#); [US CONGRESS, 9/20/2002](#)] An ideal disguise for fabrication of covert operation by the authoritarian intelligences like CIA, MI6, and MOSSAD!

At the same time, warnings of an attack against the US led by the Saudi Osama bin Laden were higher than they had ever been before— "off the charts" as one senator later put it. [[LOS ANGELES TIMES, 5/18/2002](#); [US CONGRESS, 9/18/2002](#)] The CIA warned the interagency Counterterrorism Security Group (CSG) that al-Qaeda members "believed the upcoming attack would be 'spectacular,' qualitatively different from anything they had done till date." [[9/11 COMMISSION, 3/24/2004](#); [9/11 COMMISSION, 7/24/2004, PP. 259](#)]

Incidentally, Defense Secretary Donald Rumsfeld predicted "[New Pearl Harbour](#)" during his inaugural speech in January 2001 who was also one of the signatories of the 'Project For The New American Century (PNAC)' where they argued about the requirement for a "[New Pearl Harbour](#)" to maintain American supremacy throughout the world. Rich B. of CIA [Alec Station](#) who was Vice President Richard B. Cheney,

another signatory, also predicted it a week before [9/11/2001](#). Yet CIA moved all its airplanes and helicopters to Monterey, California, for training and the North Eastern Air force fighters were sent to Turkey for training exercise leaving Capital and North East region unprotected - even lowered the threat level prior to [9/11](#) so that the perpetrators could setup the remote hijacking and demolition requirements with precision needed to ensure success!

CIA Director George Tenet later claimed in his 2007 book, “a group of assets from a Middle Eastern service was unknowingly working for the CIA by that time. Out of the more than twenty people in that group, one third was working against al-Qaeda. By September 2001, two assets had successfully penetrated al-Qaeda training camps in Afghanistan.” [[TENET, 2007, PP. 145](#)]

Here is a brief recollection of partitioning of India in 1947. For the enlightenment of the reader, it is being re-iterated that it was the British Military who formed ISI of Pakistan while CIA was officially formed in USA (1948) with zero accountability and congressional license of covert global hostile activities. The newly formed intelligence ISI of a nascent tiny country like Pakistan had an extensive covert wing for international espionage! **Now just imagine why newly formed Pakistani intelligence would need international covert operations just after separating from India?**

Well, the only logical answer is that ISI became the hub of British covert intelligence outside Britain to pursue shadow Monarchical activities which would be illegal in Britain against existing laws and accountabilities built in the British Parliamentary System! During the same time in 1948 CIA was officially granted international covert activities around the globe by US Congress! And we all know CIA, FBI, and MI6 are just allies of NATO expansion since WW II even overtly claiming victory in many James Bond movies!

It is to be noted that it was then ISI Director Lt. Gen. Mahmood Ahmed who transferred 100,000+ to alleged Muhammad Atta’s Florida account irrespective of who this Atta was who couldn’t speak German (not certainly the framed Atta who had been studying in Germany)! The same ISI Director Lt. Gen. Mahmood Ahmed visited Washington, DC, from September 4-13, 2001, for mysterious meetings at the Pentagon and National Security Council as well as meetings with CIA Director Tenet, unspecified officials at the White House and the Pentagon, and his “most important meeting” with Marc Grossman, US Under Secretary of State for Political Affairs. On the very morning of 9/11, Ahmad was at a breakfast meeting on Capitol Hill hosted by Senator Bob Graham and Rep. Porter Goss, the chairmen of the Senate and House Intelligence committees.

Ever wonder why Pakistan could never sustain democratic Government which can live in peace with its ex-better half democratic India? When then ISI director was visiting Washington in October 12, 1999, Musharaf came to military power dismantling democratic government of Pakistan. It is to be noted that all Pakistani leaders were assassinated whoever dared to make peace with India. That is because peace with India will make ISI transparent to Pakistani citizens and the world that they don’t belong to Pakistan rather an international covert intelligence force which later became Al-Qaeda to protect and expand US/NATO/Israeli and Vatican’s worldwide interest!

Here is a short list of events that led to the official success of 9/11 disaster on US soil with complete knowledge of most responsible top officials and their deliberate efforts to block information flow through normal proper channel keeping citizens in darkness while keeping Al Qaeda attack theme alive spreading rumours using most sophisticated US/NATO/Israeli [propaganda dissemination methods](#) and methodology:

September 2000: [Rebuilding America's Defences: Strategies, Forces And Resources For A New Century](#), was written by the Project for the New American Century. It called for unprecedented hikes in military spending, American military bases in Central Asia and Middle East, toppling of non-complying regimes, abrogation of international treaties, control of the world's energy sources, militarization of outer space, total control of cyberspace, and the willingness to use nuclear weapons to achieve "American" goals. ([Source](#)) The plan emphasized in Page 51, "The process of transformation is likely to be a long one, absent some catastrophic and catalyzing event - like a new Pearl Harbor." [American Free Press asked Christopher Maletz, asst. director of the PNAC about what was meant by the "need for a new Pearl Harbor":](#) "They needed more money to up the defense budget for raises, new arms, and future capabilities," Maletz said. "Without some disaster or catastrophic event," neither the politicians nor the military would have approved.

- **January 2001: Bush Installed as US President by The Supreme Court**
Bush was appointed to the US Presidency undemocratically and in turn appointed leadership of PNAC to highest levels of Executive branch and Pentagon including Richard B. Cheney, Donald Rumsfeld, Paul Wolfowitz, and Lewis Libby. Jeb Bush, a PNAC member, helped his brother to win the disputed Florida State as Governor. Bush started executing PNAC plan proposing trillion dollar tax cuts and trillion dollar increase in defense budget which would eventually bankrupt USA! PNAC leadership in the White House and Pentagon started implementing [New Pearl Harbour](#) immediately coordinating with CIA, FBI, NSA, FAA, Media, and Military.

- **2000-2001:** The military conducted exercises simulating hijacked airliners used as weapons to crash into targets causing mass casualties. Professor Margie Burns will later ask rhetorically, "How could the White House ever have thought that abolishing the interagency work groups was a good idea, if security was the objective? Why was so much responsibility

placed on the shoulders of one person, Condoleezza Rice, whose [only] previous experience had been at Stanford University and Chevron?" [[US PRESIDENT, 2/13/2001](#); [CHRONICLES MAGAZINE, 1/2004](#)]

[Military ensured New York sky was safe for remote hijacking and hitting WTC without threat of NORAD and its own patriotic military pilots re-scheduling October 2001 exercises on 9/11]

About 100 members of the 174th Fighter Wing, part of the New York Air National Guard, were deployed to Sultan Air Base, Saudi Arabia, to patrol the no-fly zone over southern Iraq, as part of the ongoing Operation Southern Watch. This was the unit's second deployment there, its first having been in March 2001. [Why secretly? Why not went public so that the country could prepare for it? Well, then the covert plan for [New Pearl Harbour](#) enacting remote military hijacking couldn't be executed!]

On the morning of 9/11, David Welna, National Public Radio's Congressional correspondent, said, “I spoke with Congressman Ike Skelton—a Democrat from Missouri and a member of the Armed Services Committee”—who said, “just recently the Director of the CIA [George Tenet] warned that there could be an attack—an imminent attack—on the United States of this nature. I had no knowledge of these attacks, nor do I consider the killing of innocent women, children and other humans as an appreciable act. Islam strictly forbids causing harm to innocent women, children and other people. Such a practice is forbidden even in the course of a battle.” – Bin Laden [[Ummat Karachi, 9/28/2001](#)].

Now let us hear again from ex-FBI Translator Sibel Edmonds regarding [MOSSAD agents](#) within US Military and FBI: Edmonds wrote to the inspector general's office in March 2002 when a U.S. military officer and his wife another FBI translator tried to

persuade her to work for Mossad - "Investigations are being compromised," "Incorrect or misleading translations are being sent to agents in the field. Translations are being blocked and circumvented." [WASHINGTON POST, [6/19/2002](#)]

- Up to [200 Israeli agents were arrested and detained](#) in relation to 9/11 including five Mossad agents who were celebrating the World Trade Center job with "cries of joy and mockery." The Justice Department (sic) released all of the Israelis, and the entire matter was made "classified."

- **Everyone was rewarded after the success of 9/11 New Pearl Harbour** including all PNAC members in Bush team! No one was punished for the disaster that killed 3000 Americans, destroyed WTC and Pentagon due to inaction and/or covert actions of all responsible earning decent salary from tax dollars yet were idle and/or inactive to prevent such attack in broad daylight.

Let us end this article with excerpts from the 2007 book written by then CIA Director George Tenet where he would say, "As a result of the intelligence community's efforts, in concert with our foreign partners, by September 11, Afghanistan was covered in human and technical operations."

In the book Tenet also claimed by September 11, 2001:

- ” The CIA is working with eight separate Afghan tribal networks
- The CIA has more than 100 recruited sources inside Afghanistan
- Satellites are repositioned over Afghanistan
- Al-Qaeda training camps are systematically mapped
- Efforts are stepped up to closely monitor news about al-Qaeda in the media around the world
- Major collection facilities” are placed on the borders of Afghanistan
- Other “conventional and innovative collection methods” are used to penetrate al-Qaeda worldwide
- Leadership of the FBI given full transparency into the CIA's efforts.” [[Tenet, 2007, pp. 120-121](#)]

Now imagine why a Government with so much knowledge of and cosiness with Al-Qaeda wouldn't be prepared for a terrorist attack like the [September 11, 2001](#), that would change our way of life forever! Isn't the answer quite clear that Al-Qaeda has become the covert wing of NATO/Israeli military intelligence! There are enormous data out there to support this case. I was very selective to ensure briefness of this article so that it could retain reader's interests while not getting lost in the vastness!

Now let us consider the July 7, 2005, [London Subway bombing](#) which had many similarities with 9/11 terrorist attack including [presence of Al-Qaeda suspect](#) with MI6's knowledge, lowering security threat level during G8 summit, and use of military grade explosives for the explosions as confirmed by France's then new anti-terrorism coordinator [Christophe Chaboud](#). In an interview with *Le Monde*, he announced to the world that he knew "the nature of the explosives" used in the London bombings. It "appears to be military, which is very worrisome," he said, adding: "...How did they get them? Either by trafficking, for example, in the Balkans, or they had someone on the inside who enabled them to get them out of a military base."

Bush-Cheney administration vehemently opposed any public inquiry into unthinkable [9/11 mistry attack](#) on USA that happened with full knowledge of high ranking government, military, intelligence, FAA, and NORAD officials! Following the foot step former Prime Minister Tony Blair said, "An independent inquiry would undermine support for the security service". Just imagine how government prosecutors spent enormous amount of time and public money to prosecute citizens sometime for minor felonies based on hearsay yet the same governments were unwilling to diagnose the source of the Al-Qaeda virus bringing it under people's microscope!

US/NATO/Israeli intelligence now spreading the rumour again that [Al-Qaeda](#) is regrouping and getting stronger than ever! Of course, without open public investigation of [9/11](#) this new alliance of covert intelligences has been gaining steam every day encouraging every intelligence on Earth in joining this shadow power and run Government from outside making politicians robots who could only talk about tax cuts, service cuts, tough on crime, and need for more military for war mongering and prisons to silence dissents!

The new [Al-Qaeda](#) is equipped with [Echelon](#) which can listen to and record/modify all phone conversations, see/modify all text messaging, can break into any internet firewall to eavesdrop/doctor data for framing up opponents as convenient! It is well funded by Belgium [based SWIFT money laundering secret Bank](#) and well guarded by NATO. This [Al-Qaeda](#) openly meets for covert brainstorming as [Bilderberg](#), Head Quartered in Switzerland, attended by major media owners (e.g., Graham, Donald E. - Chairman and CEO, The Washington Post Company), Publishing monopoly like Canadian Chapter-Cole-Indigo (e.g., Reisman, Heather M. Chair and CEO, Indigo Books & Music Inc.), Key US Senators and would be leaders, key business executives, lawyers, most members of Council of Foreign Relations (CFR) and academic think tanks chaired by one of the worst war criminals in history [Henry Kissinger](#). The [Bilderberg Conference 2001 - May 24-27 - Gothenburg, Sweden](#), was attended by Senator Christopher Dodd (Democrat), Chuck Hagen (Republican), and John Kerry along with most CFR members. Senator Obama's Vice President Selector ("Johnson, James A." "Vice Chairman, Perseus, LLC) also attended the 2008 Bilderberg covert conference! Thus it is obvious Obama has to speak for the military and support [Bilderberg's](#) covert agenda for overt [war-on-terror](#) irrespective of the will of the voters, rather against citizen's voice and democracy!

It is to be noted that Senator Obama's running mate Senator Joseph Biden met then Pakistani ISI Chief General Mahmoud Ahmad on September 13, 2001, in Washington DC, two days after the attack on WTC and the Pentagon. It is well known that General Mahmoud instructed Omar Saeed Sheikh, the alleged assassin of Daniel Pearl, to wire \$100,000 to alleged lead hijacker Mohammed Atta prior to 9/11.

The ISI Chief arrived in Washington exactly one week before 9/11 to have meeting with Pentagon, White House National Security Council and CIA officials, including George Tenet, and Marc Grossman, then U.S. Under-Secretary of State for Political Affairs.

Why mainstream media is silent or deceptive about investigating this Al-Qaeda?

Let us hear from [David Rockefeller](#), former Chairman of Chase Manhattan Bank and Council of Foreign Relations (CFR), member of covert [Bilderberg](#) Steering Committee, and founder of covert [Trilateral Commission](#) who also orchestrated the deal to transfer WTC ownership from Port Authority to Silverstein Properties and Westfield America prior to 9/11: "We are grateful to the Washington Post, the New York Times, Time Magazine and other great publications whose directors have attended our meetings and respected their promises of discretion for almost forty years."

In other words, most mainstream US media became [aristocratic CIA operatives](#) as "[Operation MOCKINGBIRD](#) – The CIA begins recruiting American news organizations and journalists to become spies and disseminators of propaganda. The effort is headed by Frank Wisner, Allan Dulles, Richard Helms and Philip Graham. Graham is publisher of *The Washington Post*, which becomes a major CIA player. Eventually, the CIA's media assets will include ABC, NBC, CBS, *Time*, *Newsweek*, Associated Press, United Press International, Reuters, Hearst Newspapers, Scripps-Howard, Copley News Service and more. By the CIA's own admission, at least 25 organizations and 400 journalists will become CIA assets."

Thus the media subscribed to [Winston Churchill's](#) dictum that, "In wartime, [truth](#) is so precious that she should always be attended by a bodyguard of [lies](#)." And for the CIA, all time is wartime.

What this Al-Qaeda wants? Let us hear from horse's mouth again: "It would have been impossible for us to develop our plan for the world if we had been subjected to the lights of publicity during those years. But, the world is more sophisticated and prepared to march towards a world government. The supranational sovereignty of an intellectual elite and world bankers is surely preferable to the national auto determination practiced in past centuries."

-- David Rockefeller, Speaking at the June, 1991 Bilderberg meeting in Baden, Germany (a meeting also attended by then-Governor Bill Clinton as well as PNAC signatory Dan Quayle)

A special note about David Rockefeller: it was in Room 3603 in [Rockefeller Center](#) that [Allen Dulles](#), then head of CIA, had set up his WWII operational center after [Pearl Harbor](#), liaising closely with [MI6](#) which also had their principal U.S. operation in the Center! Moreover, in *Cary Reich's* biography of his brother Nelson, a former CIA agent states that David was extensively briefed on covert intelligence operations by himself and other Agency division chiefs, under the direction of David's "friend and confidant", CIA Director Allen Dulles! Thus it is obvious that David Rockefeller had full knowledge of all CIA and MI6 warnings about imminent spectacular "[New Pearl Harbour](#)" when he orchestrated the WTC ownership transfer from public Port Authority to private Silverstein Properties and Westfield America funded by JP Morgan Chase tied with Rockefeller family interests!

Fellow Americans, Canadians, and world citizens are not gaining anything out of this shadow alliance among aristocratic private covert [Bilderberg](#), covert union of NATO/Israeli military intelligence wings as Al-Qaeda, private mercenaries recruiting ex-military/ex-CIA militias from around the world and media monopoly meticulously

glorifying military, evangelism, and monarchy. It only helps NATO [Constitutional Monarchs](#) expand NATO and monarchy around the world dismantling true participatory democracy of “[We the people, by the people, for The People](#)”.
